We offer parents a great degree of flexibility and if you need sessions that are not shown in the table above just contact us to discuss and we will do our utmost to accommodate your requirements

FREE PLACES FOR 3 & 4 YEAR OLDS

Every child over the age of 3 is entitled to 570 hours of free childcare for each academic year and this can be spread over the whole year and not just restricted to school terms.

Generally the free funding will start the first term after your child's 3rd birthday however, some local authorities may vary slightly from this.

Parents have the right to split the funding between 1 or more settings and to use the number of hours that suits them. Parents can stretch the funded hours over the whole year and do not have to stick to term times.

Extended 30 Hours and Stretch options Sunflowers is open all year round so parents have the option to use their funded and extended hours over the whole year - please speak to Sue for more details.

2 YEAR OLD FREE PLACES

Some children who are aged over 2 will be entitled to free childcare places please check with your health visitor or local children's centre to see if you are eligible

Sunflowers has been approved by Worcestershire County Council as one of the setting who are eligible to offer these places.

If you would like to discuss your free entitlement please contact me directly and I will be happy to discuss in more detail with you.

PAYMENT OF FEES

Fees are payable on a monthly basis by 14th of every month. If you would like to pay your fees weekly they will be payable on the first day of the week that your child attends
